

Autumn Term 2018

Central Training Brochure

Professional Development Centre
229 Bethnal Green Road, London, E2 6AB

Autumn Term 2018: Central Training Overview

Please read information inside to find out about the course and whether you need to bring anything with you on the day.

To reserve a place please book online using the 'Services for Schools' website:

<https://secure2.sla-online.co.uk>

	Course	Date & Time	Cost
	Developing Mathematical Reasoning in Year 1 – 6 (Package) (page 6)	6 sessions starting 17th September 2018 9.15am – 3.30pm	THEP Schools - £750 (per delegate) Non-THEP Schools - £1200 (per delegate)
	Developing Mathematical Reasoning in Year 3 (page 7)	17th September 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Primary DHT/AHT Network Meeting (page 8)	18th September 2018 1.30pm – 3.30pm	THEP Schools - FREE (per delegate) Non-THEP Schools - £110 (per delegate)
	Getting to Grips with Year 1 (page 9)	20th September 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	French Language and Methodology: 10 week course (page 10)	10 sessions starting: 20th September 2018 4.15pm – 5.45pm	All Schools - £250 (per delegate) OR £400 (for two delegates)
	Mathematics and Science (page 11)	25th September 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Primary MFL Network Meeting (page 12)	26th September 2018 4.15pm – 5.45pm	THEP Schools - FREE (per delegate) Non-THEP Schools - £110 (per delegate)
	Working Scientifically Skills: 'I can...' a series of 5 skills based twilights (Package) (page 13)	5 sessions starting 27th September 2018 4.15pm – 5.45pm	THEP Schools - £250 (per delegate) Non-THEP Schools - £400 (per delegate)
	Working Scientifically Skills: 'I can ask questions and plan enquiries' (part 1 of 5) (page 14)	27th September 2018 4.15pm – 5.45pm	THEP Schools - £60 (per delegate) Non-THEP Schools - £110 (per delegate)
	Strategies to Support Achievement in Times Tables x2, x5, x10 (page 15)	3rd October 2018 1.30pm – 4.00pm	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)

	New to Primary Science Leadership Meeting (page 16)	4th October 2018 1.30pm – 4.00pm	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)
	Getting to Grips with Year 6 (page 17)	11th October 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Phonics: Phase 2 and 3 (including planning) (page 18)	12th October 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Developing Mathematical Reasoning in Year 4 (page 19)	15th October 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Primary English Subject Lead Development Session (page 20)	17th October 2018 1.45pm – 4.00pm	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)
	Primary English Network Meeting (page 21)	17th October 2018 4.15pm – 5.45pm	THEP Schools - FREE (per delegate) Non-THEP Schools - £110 (per delegate)
	Getting to Grips with Year 2 (page 22)	18th October 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Primary Science Network Meeting (page 23)	18th October 2018 4.15pm – 5.45pm	THEP Schools - FREE (per delegate) Non-THEP Schools - £110 (per delegate)
	Extending Vocabulary through Reading: Year 5 and 6 (page 24)	31st October 2018 4.15pm – 5.45pm	THEP Schools - £60 (per delegate) Non-THEP Schools - £110 (per delegate)
	Primary Mathematics Subject Lead Development Session (page 25)	1st November 2018 1.30pm – 4.00pm	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)
	Primary Mathematics Network Meeting (page 26)	1st November 2018 4.15pm – 5.45pm	THEP Schools - FREE (per delegate) Non-THEP Schools - £110 (per delegate)
	Phonics: Phase 4 and 5 (including planning) (page 27)	2nd November 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Getting to Grips with Year 3 (page 28)	7th November 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)

	Year 6: End of Key Stage Assessment Twilight (page 29)	14th November 2018 4.15pm – 5.45pm	THEP Schools - £60 (per delegate) Non-THEP Schools - £110 (per delegate)
	Getting to Grips with Year 4 (page 30)	15th November 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Understanding Your School's Key Stage Data (page 31)	16th November 2018 8.30am – 10.30am	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)
	Developing Mathematical Reasoning in Year 2 (page 32)	19th November 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Phonics: Phase 1 Engaging with High-Quality Picture Books (page 33)	21st November 2018 9.15am – 3.30pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Achieving Higher Attainment in Writing: Y2 Project (3 sessions) (page 34)	22nd November 2018 1.30pm – 4.00pm	THEP Schools - £200 (per delegate) Non-THEP Schools - £350 (per delegate)
	Year 2: End of Key Stage Assessment Twilight (page 35)	22nd November 2018 4.15pm – 5.45pm	THEP Schools - £60 (per delegate) Non-THEP Schools - £110 (per delegate)
	Strategies to Support Achievement in Times Tables x4, x8, x7 (page 36)	26th November 2018 1.30pm – 4.00pm	THEP Schools - £75 (per delegate) Non-THEP Schools - £125 (per delegate)
	Getting to Grips with Year 5 (page 37)	29th November 2018 9.15am – 4.00pm	THEP Schools - £150 (per delegate) Non-THEP Schools - £225 (per delegate)
	Content and Language Integrated Learning (page 38)	5th December 2018 1.30pm – 4.00pm	MFL SLA Schools - FREE (per delegate) Non-MFL SLA Schools - £125 (per delegate)
	Working Scientifically Skills: 'I can make predictions and hypotheses' (part 2 of 5) (page 39)	5th December 2018 4.15pm – 5.45pm	THEP Schools - £60 (per delegate) Non-THEP Schools - £110 (per delegate)
	Achieving Higher Attainment in Writing: Y6 Project (3 sessions) (page 40)	11th December 2018 1.30pm – 4.00pm	THEP Schools - £200 (per delegate) Non-THEP Schools - £350 (per delegate)

Developing Mathematical Reasoning in Year 1 – 6 (Package)

A series of 6 days focusing on Mathematical Reasoning

This course is part of the Enrichment Training series

9.15pm - 3.30pm
Venue: PDC, Room G04

Presenter: Carolyn Lindsay

☆ You will pay a discounted price if you purchase the package of 6 ☆

The training will address the following:

Session 1 (17.09.18)	▪ Year 3
Session 2 (15.10.18)	▪ Year 4
Session 3 (19.11.18)	▪ Year 2
Session 4 (25.01.19)	▪ Year 5
Session 5 (08.02.19)	▪ Year 6
Session 6 (21.03.19)	▪ Year 1

- Raising awareness of the expectations of Mathematical Reasoning in a specific year
- How to support children in Mathematical Reasoning with a focus on – Fractions and an aspect of Geometry or Statistics
- The THEP ‘Using Mathematical Language’ document will be shared

The benefits of attending this training are:

- Subject knowledge will be enhanced
- Delegates will receive planning where Mathematical Reasoning is developed and shared

This course is suitable for:

- Class teachers, Mathematics Subject Leaders and SLT

You will also be provided with:

- An electronic copy of the training materials.

Cost of course:

£750.00 (THEP Schools) per delegate (This is the discounted rate for buying all 6 sessions– you may send different delegates on different days)

£1200.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the ‘Services for Schools’ website

<https://secure2.sla-online.co.uk>

Developing Mathematical Reasoning in Year 3

This course is part of the Enrichment Training series

Monday 17th September 2018

9.15pm - 3.30pm

Venue: PDC, Room G04

Presenters: Carolyn Lindsay

The training will address the following:

- Raising awareness of the expectations of Mathematical Reasoning in Year 3
- How to support children in Mathematical Reasoning in Year 3 focus – Fractions and an aspect of Geometry or Statistics
- The THEP 'Using Mathematical Language' document will be shared

The benefits of attending this training are:

- Subject knowledge will be enhanced
- Delegates will receive planning where Mathematical Reasoning is developed and shared

This course is suitable for:

- Class teachers, Mathematics Subject Leaders and SLT

You will also be provided with:

- An electronic copy of the training materials.

Related courses:

- **Science and Mathematics**, 25th September 2018, 9.15am – 3.30pm
- **Strategies to Support Achievement in Times Tables x2,x5,x10**, 3rd October 2018, 1.30pm–4.00pm
- **Getting to Grips with Year 3**, 7th November 2018, 9.15am – 4.00pm
- **Strategies to Support Achievement in Times Tables x4, x8,x7**, 26th November 2018, 1.30pm – 4.00pm

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Booking:

Primary DHT and AHT Network Meeting

This course is part of the Key Training series

Tuesday 18th September 2018

1.30pm – 3.30pm

Venue: PDC, Room 101

Presenter: Alison Gawthrope

‘Leaders aren’t born, they are made. And they are made just like anything else, through hard work. And that’s the price we’ll have to pay to achieve our goal, or any goal.’

Vince Lombardi

The session will explore the following:

- National and local updates: policy, procedures, data, Ofsted and key dates
- Continuing work on the wider curriculum, following on from the summer conference

The benefits of attending this training are:

- Keep in formed with latest local and national initiatives and updates
- Make links and work collaboratively with local fellow colleagues
- Opportunities to share and discuss relevant issues relating to the role of senior leadership.
- Sharing ideas, good practice and building greater confidence and capacity

This course is suitable for:

- Senior Leaders, Assistant Head Teachers and Deputy Head Teachers

You will be provided with:

- An electronic copy of the materials shared from the session

Please note: Previous topics of discussion include outstanding leadership, the art of delegation; and having successful difficult conversations

Cost of course:

FREE (THEP Schools) per delegate

£110.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the ‘Services for Schools’ website

Getting to Grips with Year 1 This course is part of the Key Training series

Thursday 20th September 2018

9.15am – 4.00pm

Venue: PDC, Room G04

Presenters: Primary Education & Partnerships Team

Unsure what to expect in Year 1? Need a refresher course to reinvigorate your teaching and learning of this year group? Would like some ideas on teaching strategies to support delivering the English and Mathematics curriculum? This course will give you what you need.

The training will address the following:

- Understanding your data in order to plan effectively for your pupils
- Growing familiarity with the Year 1 National Curriculum requirements for English and Mathematics
- Exploring what 'on-track' looks like for end of Autumn, Spring and Summer Terms
- Developing planning to meet the expectations of the year group through active engagement and meaningful learning experiences
- Increasing understanding of what is meant by 'challenge' in the English and Mathematics curriculum

The benefits of attending this training are:

- Clear understanding about the expectations in English and Mathematics for Year 1
- Confidence to deliver high-quality teaching and learning back in the classroom
- Subject knowledge to meet the learning of your class

This course is suitable for:

- Year group teachers and phase leaders

You will be provided with:

- A link to download the training materials from the session

For further Mathematical development:

- **Strategies to Support Achievement in Times Tables x2,x5,x10**, 3rd October 2018, 1.30pm – 4.00pm

These courses will help to support Year 1 teachers working towards the Phonics Screening Check:

- **Phonics: Phase 2 and 3 (including planning)**, 12th October 2018, 9.15am – 3.30pm
- **Phonics: Phase 4 and 5 (including planning)**, 2nd November 2018, 9.15am – 3.30pm

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the 'Services for Schools' website

<https://secure2.sla-online.co.uk>

French Language and Methodology: 10 week course

This course is part of the Enrichment Training series

Thursday 20th September 2018 – Thursday 29th November 2018

4.15pm – 5.45pm

Venue: PDC, Room 206

Presenter: Michelle O'Connor (LBTH Advisory Teacher for Primary MFL)

The training will address the following:

- Developing confidence in listening, speaking, reading and writing in French
- Understanding basic theories of second language acquisition
- Learning specific MFL teaching strategies and practical application

The benefits of attending this training are:

- Increased confidence and competence to communicate in the French language
- Pedagogical knowledge around MFL
- Ability to plan and deliver French lessons to Primary pupils.

This course is suitable for:

- All teaching/support staff

You will also be provided with:

- Teaching materials and resources
- Certificate on completion of course

Cost of course:

All schools - £250 (per delegate) **OR £400** (for 2 delegates)

Booking:

To reserve a place please book online using the 'Services for Schools' website

Mathematics and Science

This course is part of the Enrichment Training series

Thursday 25th September 2018

Time: 9.15pm – 3.30pm

Venue: PDC, Room G04

Presenters: Julia Weston and Carolyn Lindsay

**Want to know what owl pellets and human faeces have in common?
And not just any human faeces, but Stone Age faeces!**

Come along and explore the contents of owl pellets and human faeces and discover how Science and Mathematics can enhance learning. Science skills and knowledge communicated through pictograms, pie charts, bar and line graphs.

The training will address the following:

- Explore how core mathematics and science skills can be enhanced and developed in conjunction with each other.
- Develop an understanding of opportunities for meaningful cross curricular mathematics and science work – beyond data handling – and how science purposes can bring meaning to mathematical skill development.

The benefits of attending this training are:

- Practical exploration of skills throughout the day in order to understand the benefits of the learning
- Understand the myriad ways in which maths and science learning can complement each other
- Sharing of good practice from work in Tower Hamlets schools

This course is suitable for:

- Mathematics Subject Leaders, Science Subject Leaders, Staff with cross curricular learning as a focus

You will also be provided with:

- An electronic copy of the training materials

Related courses:

- **Science 'I can' Series (part 1 of 5)**, 27th September 2018, 4.15pm – 5.45pm
- **Science 'I can' Series (part 2 of 5)**, 5th December 2018, 4.15pm – 5.45pm
- **Developing Mathematical Reasoning in Year 4**, 15th October 2018, 9.15am – 3.30pm
- **Developing Mathematical Reasoning in Year 2**, 19th November 2018, 9.15am – 3.30pm

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the 'Services for Schools' website

<https://secure2.sla-online.co.uk>

Course organised by **Carolyn Lindsay**
carolyn.lindsay@towerhamlets.gov.uk

Primary MFL Network Meeting **This course is part of the Key Training series** **Wednesday 26th September 2018** **4.15-6.00pm** **Venue: PDC, Room 101**

Presenter: Michelle O'Connor (LBTH Advisory Teacher for Primary Languages)

The training will address the following:

- Local and national updates for MFL
- European Day of Languages Celebration
- The Language Magician Assessment tool

The benefits of attending this training are:

- Opportunity to share good practice with colleagues from across the borough
- Up to date on all current DfE guidance
- Preparation for European Day of Languages

This course is suitable for:

- MFL subject leaders/coordinators/teachers or support staff with responsibility for language teaching

You will also be provided with:

- Copies of all training materials
- Resources to celebrate European Day of Languages

Cost of course:

FREE to all schools with an SLA for MFL
£110 Non MFL SLA Schools (per delegate)

Booking:

To reserve a place please book online using the 'Services for Schools' website
<https://secure2.sla-online.co.uk>

Course organised by **Michelle.O'Connor**
michelle.o'connor@towerhamlets.gov.uk

**Working Scientifically Skills:
'I can . . .' a series of 5 skills based twilights (Package)**

This course is part of the Key Training series

Session 1: Thursday 27th September 2018

Time: 4.15 – 5.45pm

Venue: PDC, Room 101

Presenter: Julia Weston

☆ You will pay a discounted price if you purchase the package of 5 ☆

The training will address the following:

Session 1 (27.9.18)	<ul style="list-style-type: none"> ▪ How to teach the skill of using scientific experiences to raise different kinds of questions ▪ How to use questions to plan different enquiries to answer scientific questions
Session 2 (5.12.18)	<ul style="list-style-type: none"> ▪ How to teach the skills of predicting and hypothesising
Session 3 (31.1.19)	<ul style="list-style-type: none"> ▪ How to teach the skills of measuring and observing and how to develop independence in making decisions about these
Session 4 (7.4.19)	<ul style="list-style-type: none"> ▪ How to teach the skills of recording data appropriately in different forms and developing independence in decision making
Session 5 (6.6.19)	<ul style="list-style-type: none"> ▪ How to teach the skills of concluding, explaining and evaluating

The benefits of attending this training are:

- A deeper understanding of all of the core working scientifically skills
- Knowledge of purposeful activities which allow pupils to effectively learn these skills
- A developing understanding of how to promote independence in decision making for KS2 teachers
- Knowledge of resources which support this learning

This course is suitable for:

- Science leads (in particular new leads), any teacher in KS1 or 2
- Each course operates as a stand-alone for focussing on key skills identified, or as a part of the series of 5

You will be provided with:

- An electronic copy of the training materials and any relevant supporting materials

Cost of course:

£250.00 (THEP Schools) per delegate (**This is the discounted rate for buying all 5 parts – you may send different delegates on different days**)

£400.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the 'Services for Schools' website

<https://secure2.sla-online.co.uk>

Working Scientifically Skills: 'I can ask questions and plan enquiries' (part 1 of 5)

This course is part of the Key Training series

Thursday 27th September 2018

Time: 4.15 – 5.45pm

Venue: PDC, Room 101

Presenter: Julia Weston

The training will address the following:

- How to teach the skill of using scientific experiences to raise different kinds of questions
- How to plan different enquiries to answer scientific questions
- How to develop independence in making decisions about which enquiry to use throughout KS2
- Understanding the difference between comparative tests for KS1 and fair tests for KS2
- How to plan purposeful engaging enquiries for different curriculum areas

The benefits of attending this training are:

- A deeper understanding of these working scientifically skills
- Knowledge of purposeful activities which allow pupils to effectively learn these skills
- A better understanding of the characteristics of the 5 enquiry types
- Knowledge of resources which support this learning

This course is suitable for:

- Science leads (in particular new leads), any teacher in KS1 or 2
- The course operates as a stand-alone for focussing on *these* key skills or as a part of the series of 5

You will be provided with:

- An electronic copy of the training materials and any relevant supporting materials

Cost of course:

£60.00 (THEP Schools) per delegate (**NB: Discount for buying all 5 parts of the course – see separate flyer**)

£110.00 (Non-THEP Schools) per delegate

Booking:

To reserve a place please book online using the 'Services for Schools' website

Strategies to Support Achievement in Times Tables x2, x5, x10

This course is part of the Key Training series

Wednesday 3rd October 2018

1.30pm - 3.30pm

Venue: PDC, Room G04

Presenters: Carolyn Lindsay

The training will address the following:

- To share a range of strategies for teaching multiplication tables x2, x5, 10
- To hear how schools in Tower Hamlets manage the teaching of Times tables

The benefits of attending this training are:

- KS1 teachers subject knowledge will be enhanced and more strategic
- Raised awareness of a range of strategies for teaching and how to embed understanding

This course is suitable for:

- Mathematics Subject Leaders
- Class teachers

You will also be provided with:

- An electronic copy of the training materials.

Related courses:

- **Getting to Grips with Year 2**, 18th October 2018, 9.15am – 4.00pm

New to Primary Science Leadership Meeting

This course is part of the Key Training series

Thursday 4th October 2018

Time: 1.30 – 4.00pm

Venue: PDC, Room 101

Presenter: Julia Weston

The training will address the following:

- Knowledge of core science resources to support planning, assessing and leading science
- Addressing areas of concern and priority for participants
- Awareness of the PLAN exemplification materials which show what science 'looks like' in pupils recording and how this can support planning and assessing science and moderation

The benefits of attending this training are:

- Knowledge and resources to support your role
- Understanding of current good practice in assessing science in a way that is manageable for teachers
- An opportunity to address main areas of concern of those attending the session

This course is suitable for:

- Science leads who are new to the role

You will also be provided with:

- An electronic copy of the training materials
- Any relevant supporting materials

Cost of course:

£75.00 (THEP Schools) per delegate

£125.00 (Non-THEP Schools) per delegate

Booking:

Getting to Grips with Year 6 This course is part of the Key Training series

Thursday 11th October 2018

9.15am – 4.00pm

Venue: PDC, Room G04

Presenters: Primary Education & Partnerships Team

Worried about end of Key Stage assessments? Need a refresher course to reinvigorate your teaching and learning of this year group? Would like some ideas on teaching strategies to support delivering the English and Mathematics curriculum? This course will give you what you need.

The training will address the following:

- Understanding your data and learning from KS2 2018 tests and outcomes, in order to plan effectively for your pupils
- Growing familiarity with the Year 6 National Curriculum requirements for English and Mathematics
- Exploring benchmarks for end of Autumn, Spring and Summer Terms
- Developing planning to meet the expectation of the year group through active engagement and meaningful learning experiences
- Increasing understanding of what is meant by 'challenge' in English and Mathematics curriculum

The benefits of attending this training are:

- Clear understanding about the expectations in English and Mathematics for Year 6
- Confidence to deliver high-quality teaching and learning back in the classroom
- Knowledge to meet the learning of your class

This course is suitable for:

- Year group teachers and phase leaders

You will be provided with:

- A link to download the training materials from the session

For further enrichment of Year 6 writing:

- **Extending Vocabulary through Reading: Years 5 and 6**, 31st October 2018, 4.15pm – 5.45pm
- **Achieving Higher Attainment in Writing: Y6 Project**, 11th December 2018, 1.30pm – 4.00pm

Coming up in the Spring Term 2019

- **Strategies to Support Achievement in Times Tables in UKS2**, 15th January 2019, 4.15pm – 5.45pm

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Booking:

Phonics: Phase 2 and 3 (including planning)

This course is part of the Key Training series

Friday 12th October 2018

9.15am – 3.30pm

Venue: PDC, Room G04

Presenter: Nicole Gurvidi

The training will address the following:

- Securing subject knowledge of the alphabetic code to support successful teaching of phases 2 and 3 of Letters and Sounds
- Teaching 'blending and segmenting' in order to read and spell words
- Exploring a range of resources to support delivering engaging sessions
- Making clear links between phonics and word-reading, fluency and spelling
- Tackling high frequency words

The benefits of attending this training are:

- Delivering systematic, synthetic phonics teaching and learning back in your setting/classroom
- Supporting meeting the reading ELG: '*Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words.*'
- Supporting meeting the writing ELG: '*Children use their phonic knowledge to write words in ways in which match their spoken language. They also write some irregular uncommon words.*'

This course is suitable for:

- All adults working in reception and year 1 or phonic/English leads
- Newly and recently qualified teachers

You will be provided with:

- A link to download the training materials from the session (including access to planning)

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Developing Mathematical Reasoning in Year 4

This course is part of the Enrichment Training series

Tuesday 15th October 2018

9.15pm - 3.30pm

Venue: PDC, Room G04

Presenters: Carolyn Lindsay

The training will address the following:

- Raising awareness of the expectations of Mathematical Reasoning in Year 4
- How to support children in Mathematical Reasoning in Year 4 focus – Fractions and an aspect of Geometry or Statistics
- The THEP 'Using Mathematical Language' document will be shared

The benefits of attending this training are:

- Subject knowledge will be enhanced
- Delegates will receive planning where Mathematical Reasoning is developed and shared

This course is suitable for:

- Class teachers, Mathematics Subject Leaders and SLT

You will also be provided with:

- An electronic copy of the training materials.

Related courses:

Primary English Subject Leader Development Session

This course is part of the **Enrichment Training series**

Wednesday 17th October 2018

1.45pm – 4.00pm

Venue: PDC, Room 105

Presenters: Nicole Gurvidi and Mary Jones

The training will address the following:

- Exploring your end of Key Stage data in depth with Mary Jones (analysing at school, subject and group level)
- Identify strengths and next steps for subject leaders action plans: monitoring your effectiveness as a leader
- English subject leader project: 'Transferring literacy skills into the wider curriculum'

The benefits of attending this training are:

- An opportunity to interrogate own school data and use the information to evaluate and adapt action plans in light of new priorities
- Become involved in an English leadership project (including building capacity in others)
- Opportunity to work collaboratively with other English Leads

This course is suitable for:

- English subject leads

You will be provided with:

- A link to download the training materials from the session

Primary English Network Meeting

This course is part of the Key Training series
Wednesday 17th October 2018
4.15pm – 5.45pm
Venue: PDC, Room 105

Presenter: Nicole Gurvidi

The training will address the following:

- English updates (local and national)
- Data overview: local and national results and analysis
- KS1 and KS2 moderation (2018) overview: outcomes and implications
- Outcomes from THEP Creative Approaches to teaching Grammar Pilot Research Project
- Presentation sharing good practice (TBC)

The benefits of attending this training are:

- Make connections with other English leads from across the borough
- Opportunity to share information and discuss relevant issues relating to English leadership
- Keep up to date with latest local and national initiatives
- Build confidence in leading English

This course is suitable for:

- English subject leaders

You will be provided with:

- A link to download the training materials from the session

Getting to Grips with Year 2 This course is part of the Key Training series

Thursday 18th October 2018

9.15am – 4.00pm

Venue: PDC, Room G04

Presenters: Primary Education & Partnerships Team

Worried about end of Key Stage assessments? Need a refresher course to reinvigorate your teaching and learning of this year group? Would like some ideas on teaching strategies to support delivering the English and Mathematics curriculum? This course will give you what you need.

The training will address the following:

- Understanding your data and learning from outcomes of KS1 moderation, in order to plan effectively for your pupils
- Growing familiarity with the Year 2 National Curriculum requirements for English and Mathematics
- Exploring what 'on-track' looks like for end of Autumn, Spring and Summer Terms
- Developing planning to meet the expectation of the year group through active engagement and meaningful learning experiences
- Increasing understanding of what is meant by 'challenge' in the English and Mathematics curriculum

The benefits of attending this training are:

- Clear understanding about the expectations in English and Mathematics for Year 2
- Confidence to deliver high-quality teaching and learning back in the classroom
- Subject knowledge to meet the learning of your class

This course is suitable for:

- Year group teachers and phase leaders

You will be provided with:

- A link to download the training materials from the session

For further Mathematical development:

- **Strategies to Support Achievement in Times Tables x2,x5,x10**, 3rd October 2018, 1.30pm – 4.00pm
- **Developing Mathematical Reasoning in Year 2**, 19th November 2018, 9.15am – 3.30pm

For further enrichment of Year 2 writing:

- **Achieving Higher Attainment in Writing: Y2 Project**, 22nd November 2018, 1.30pm – 4.00pm

Cost of course:

£150.00 (THEP Schools) per delegate

Primary Science Network Meeting **This course is part of the Key Training series** **Thursday 18th October 2018** **Time: 4.15 – 5.45pm** **Venue: PDC, Room 101**

Presenters: Julia Weston and guest speaker, Jason Harding of CLEAPSS

The training will address the following:

- Jason Harding of CLEAPSS will lead the bulk of the session, covering ‘doing things safely’ and ensuring we are all up to date with what this means in the world of practical science
- Come armed with ‘Are we allowed to . . .?’ questions
- Learn about all the resources and supporting materials you can access through the Tower Hamlets CLEAPSS membership
- Updates and matters arising including changes to Y2/6 science assessment for 2018/19

The benefits of attending this training are:

- A full understanding of safety aspects of work in science and how CLEAPSS supports this work
- Updates on matters arising
- Awareness of changes in Y2/6 science assessments for 2018/19
- Knowledge of resources which support this session

This course is suitable for:

- Science Leads

You will be provided with:

- An electronic copy of the training materials
- Any relevant supporting materials

Cost of course:

Extending Vocabulary through Reading: Year 5 and 6

This course is part of the Enrichment Training series

Wednesday 31st October 2018

4.15pm – 5.45pm

Venue: PDC, Room 101

Presenters: Julia Weston and Nicole Gurvidi

'The limits of my language are the limits of my mind. All I know is what I have words for.' *L. Wittgenstein*

☆ You could send your UKS2 phase team to this twilight as part of your school's CPD ☆

The training will address the following:

- Considerations about why we teach vocabulary
- The importance of teaching word meaning in context, based on the research findings
- How to understand nuances in meaning and develop an understanding of figurative language
- Strategies to teach how to work out and clarify the meanings of unknown words and words with more than one meaning
- Strategies to teach and extend pupils' vocabulary

The benefits of attending this training are:

- Confidence to enhance pupils' vocabulary
- Deepening pupils' ability to put their thoughts into the most appropriate words
- Improving speaking and listening, reading and writing skills

This course is suitable for:

- Teachers and support staff working in Upper Key Stage 2
- English leads and/or phase leaders
- Newly and recently qualified teachers

You will be provided with:

- A link to download the training materials from the session

Please note, we are running twilights for KS1 and LKS2 in the Spring Term:

- **Extending Vocabulary through Reading: Year 1 and 2**, 24th January 2019, 4.14pm – 5.45pm
- **Extending Vocabulary through Reading: Year 3 and 4**, 7th February 2019, 4.15pm – 5.45pm

Cost of course:

£60.00 (THEP Schools) per delegate

£110.00 (Non-THEP Schools) per delegate

Primary Mathematics Subject Leader Development Session

This course is part of the **Enrichment Training series**

Thursday 1st November 2018

1.30pm - 4.00pm

Venue: PDC, Room 101

Presenters: Mary Jones and Carolyn Lindsay

The training will address the following:

- Basic training in the use of the DfE's Analyse School Performance (ASP), including understanding the tables/charts
- Explore the performance measures including floor targets and coasting measures and how school data can be analysed at school, subject and group level
- Know how ASP data is likely to be used at an OFSTED inspection
- Explore individual school data and identify strengths and next steps for Subject Leaders Action Plans
- Update on Local and National initiatives in Mathematics

The benefits of attending this training are:

- Subject Leadership will be enhanced and more strategic
- Delegates will be current with the most recent changes to school accountability and performance measures
- Delegates will have an opportunity interrogate their own school data and use the information to evaluate and adapt their Action Plans in the light of new priorities

This course is suitable for:

- Mathematics Subject Leaders and SLT

You will also be provided with:

- An electronic copy of the training materials.

Year 6: End of Key Stage Assessment Twilight

This course is part of the Key Training series

Wednesday 14th November 2018

4.15pm – 5.45pm

Venue: PDC, Room G04

Presenters: Primary Education & Partnerships Team

Worried about end of Key Stage assessments?
Need to become familiar with the expectations, process and reporting?
This course will give you what you need.

The training will address the following:

- SATs and teacher assessment expectations and practicalities for teachers who are new to Year 6
- Core dates and information which you need to know to prepare for SATs and teacher assessment
- SATs tests, teacher assessment frameworks for 2019 and reporting information
- Outcomes from 2018 KS2 writing moderation and test analysis

The benefits of attending this training are:

- Clarity over SATs and teacher assessment expectations in Year 6
- Opportunity to meet other new to Year 6 teachers and network
- Opportunities to ask questions

This course is suitable for:

- New to teaching the year group
- Newly and recently qualified teachers

You will be provided with:

Understanding Your School's Key Stage Data

This course is part of the Key Training series

Friday 16th November 2018

8.30 am – 10.30 am

Venue: PDC, Room 101

Presenter: Mary Jones

The training will address the following:

- Familiarisation with ASP (Analysing School Performance)
- The comparison of your school with the national figures
- What does the data tell you about your school?
- What else would it be useful for you to find out?

The benefits of attending this training are:

- Understanding the headline statements from the data and the way in which they can help to show the impact of teaching and learning and the links with your school's priorities
- Identifying the possible key lines of enquiry for an inspection
- Being able to cascade the information to other leaders in school

This course is suitable for:

- Headteachers and other senior leaders

You will also be provided with:

- An electronic copy of the training materials
- Any relevant supporting spreadsheets or other tools for further analysis, if appropriate

Phonics: Phase 1 Engaging with High-Quality Picture Books

This course is part of the Key Training series

Wednesday 21st November 2018

9.15am – 3.30pm

Venue: PDC, Room 101

Presenter: Nicole Gurvidi

☆ NEW TEACHING SEQUENCES will be shared during this training ☆

The training will address the following:

- Exploring and experimenting with sounds and words
- Distinguishing between sounds in the environment and phonemes (letter sounds)
- Understanding the importance of rhythm, rhyme and alliteration
- Teaching and learning through high-quality picture books
- Opportunities to experience and explore resources

The benefits of attending this training are:

- Strategies to promote: listening attentively, enlarging children's vocabulary; discriminating phonemes; and using 'sound-talk' to segment phonemes
- Provides a foundation for children to successfully move into a systematic phonics programme

This course is suitable for:

- All adults working in a nursery setting and all adults working in an EYFS setting
- Newly and recently qualified teachers

You will be provided with:

- A link to download the training materials from the session (including access to previous high-quality picture book based planning)

Cost of course:

£150.00 (THEP Schools) per delegate

£225.00 (Non-THEP Schools) per delegate

Booking:

Achieving Higher Attainment in Writing: Year 2 Project

This course is part of the **Enrichment Training series**

Thursday 22nd November 2018

1.30pm – 4.00pm

Venue: PDC, Room 101

Presenter: Nicole Gurvidi

☆ Please note this project involves three sessions across the Autumn and Spring Term ☆

Autumn Focus (22.11.18)	Spring 1 Focus (7.2.19)	Spring 2 Focus (14.3.19)
Story writing	Non-chronological reports	Writing about real events

This writing project is based on the research findings from
THEP Creative Approaches to Teaching Grammar Pilot Project (2017-2018)

The training will address the following:

- Exploring effective composition: forming, articulating and communicating ideas; and organising them coherently for a reader
- Drawing on independent reading to inform vocabulary and grammar choices to impact a reader
- Growing independence as a writer, including using the editing process to improve writing

The benefits of attending this training are:

- Understanding the role of linked reading to improve written outcomes
- Sharing successful outcomes and practice with other teachers
- End of project publication to share in school and across partnerships

This course is suitable for:

- Year 2 teachers
- English leads and/or phase leaders

You will be provided with:

- A link to download the training materials from the session

Related courses:

- **Y2 End of Key Stage Assessment Twilight**, this training follows on directly after the course, please don't forget to book your place (22nd November 2018, 4.15pm – 5.45pm)

Cost of course:

£200.00 (THEP Schools) per delegate (for the three sessions)
£350.00 (Non-THEP Schools) per delegate (for the three sessions)

Booking:

To reserve a place please book online using the 'Services for Schools' website

Year 2: End of Key Stage Assessment Twilight

This course is part of the Key Training series

Thursday 22nd November 2018

4.15pm – 5.45pm

Venue: PDC, Room G04

Presenters: Primary Education & Partnerships Team

Worried about end of Key Stage assessments?
Need to become familiar with the expectations, process and reporting?
This course will give you what you need.

The training will address the following:

- SATs and teacher assessment expectations and practicalities for teachers who are new to Year 2
- Core dates and information which you need to know to prepare for SATs and teacher assessment
- SATs tests, teacher assessment frameworks for 2019 and reporting information
- Outcomes from 2018 KS1 moderation and test analysis

The benefits of attending this training are:

- Clarity over SATs and teacher assessment expectations in Year 2
- Opportunity to meet other new to Year 2 teachers and network
- Opportunities to ask questions

This course is suitable for:

- New to teaching the year group
- Newly and recently qualified teachers

You will be provided with:

- A link to download the training materials from the session

Coming up in the Spring Term:

- **Extending vocabulary through Reading: Year 1 and 2**, 24th January 2019, 4.15pm – 5.45pm

Cost of course:

£60.00 (THEP Schools) per delegate

£110.00 (Non-THEP Schools) per delegate

Getting to Grips with Year 5 **This course is part of the Key Training series** **Thursday 29th November 2018** **9.15am – 4.00pm** **Venue: PDC, Room G04**

Presenters: Primary Education & Partnerships Team

Unsure what to expect in Year 5? Need a refresher course to reinvigorate your teaching and learning of this year group? Would like some ideas on teaching strategies to support delivering the English and Mathematics curriculum? This course will give you what you need.

The training will address the following:

- Understanding your data in order to plan effectively for your pupils
- Growing familiarity with the Year 5 National Curriculum requirements for English and Mathematics
- Exploring benchmarks for end of Autumn, Spring and Summer Terms
- Developing planning to meet the expectation of the year group through active engagement and meaningful learning experiences
- Increasing understanding of what is meant by 'challenge' in the English and Mathematics curriculum

The benefits of attending this training are:

- Clear understanding about the expectations in English and Mathematics for Year 5
- Confidence to deliver high-quality teaching and learning back in the classroom
- Subject knowledge to meet the learning of your class

This course is suitable for:

- Year group teachers and phase leaders

You will be provided with:

- A link to download the training materials from the session

Coming up in the Spring Term 2019

- **Strategies to Support Achievement in Times Tables UKS2**, 15th January 2019, 4.15pm – 5.45pm

**Working Scientifically Skills:
'I can make predictions and hypotheses' (part 2 of 5)**

This course is part of the Key Training series

Wednesday 5th December 2018

Time: 4.15 – 5.45pm

Venue: PDC, Room 105

Presenter: Julia Weston

The training will address the following:

- How to teach the skills of predicting and hypothesising
- How to use language structures and prior knowledge to build these skills effectively
- How to predict in different ways, including in line graphs, or record in written forms
- Understanding how scientific ideas change over time and how to use this with pupils
- Ways of learning about scientists and the working scientifically skills they used/use in their work

The benefits of attending this training are:

- A deeper understanding of these working scientifically skills
- Knowledge of purposeful activities which allow pupils to effectively learn these skills
- A better understanding of how to incorporate ideas from real science and scientists
- Knowledge of resources which support this learning

This course is suitable for:

- Science leads (in particular new leads), any teacher in KS1 or 2
- The course operates as a stand-alone for focussing on *these* key skills or as a part of the series of 5

You will be provided with:

- An electronic copy of the training materials
- Any relevant supporting materials

Cost of course:

£60.00 (THEP Schools) per delegate (**NB: Discount for buying all 5 parts of the course – see separate flyer**)

£110.00 (Non-THEP Schools) per delegate

Booking:
